

EXCLUSIVE: Resolution to Waive Penalties for Surrendered Volume and Underutilization, secured by MITA

On the previous MAC meeting held last September 17, 2024 at the office of Department of Agriculture, the organization (MITA) successfully secured a resolution to waive penalties incurred due to surrendered volume and underutilization. This achievement will contribute to cost savings and improved financial performance for the organization, providing relief from potential financial burden.

Anton Sayo (Philfoodex), Edwin Mapanao (PAFMI), Raul Montemayor (FFFCI), Dr. Rocha (PAMPI), Atty Barrera (PSMA), Dr. Nival (MAV Exedir), Jess Cham (MITA), Sherwin Choi (MITA), Grace Lucero (MITA), Lawrence Simpao (MITA)

ON-THE-BEAT: THE SHELF LIFE ISSUE

On September 8, 2024, a meeting was held to discuss the on-going concerns about the shelf life. The meeting was attended by USEC Asis Perez and representatives from MITA, namely Jess Cham, Jet Ambalada, Lawrence Simpao and Grace Lucero, together with Tony Dizon of CCAP.
