**MEMORANDUM FOR THE SECRETARY**

**FROM :** DR. NORBERTO A. NIVAL, DVM  
Executive Director  
Minimum Access Volume Secretariat (MAV)

**SUBJECT :** PORK MAV DISTRIBUTION THROUGH BYP/SDP/RAFFLE 2025

---

This is to recommend the distribution of pork MAV allocation due from penalties and recalls only to MAV Licensees with meat processing activity such as cooking and the like through Beginning Year Pool/Systematic Distribution Procedure/Raffle 2025.

This recommendation seeks to ensure that the pork MAV allocation is being used by processors and manufacturers and not being diverted to the wet market which will affect local prices of pork as well as compete with local pork production sold in wet markets.

For your consideration and approval.
